Dear Alex & Mark

Re Minutes of the Westway Trust AGM 20/12/17

Westway Community Transport (CT) would like to make it known that the comments made and views expressed at the AGM by Mr Toby Laurent Belson are his own and not the views of Westway Community Transport and its trustees.

While Mr Laurent Belson is a trustee of Westway Community Transport he was not acting in that capacity at this AGM, but as an individual and we wish to make it clear that he had not sought the opinions of the Westway CT Management Committee, nor had he been requested or authorised to represent Westway CT in any form at this meeting.

Yours sincerely

Andrew Kelly  
Westway CT Director  
For and on Behalf of the Westway CT Management Committee
